Subject: Freedom of Information Act Request

Pursuant to FOIA, and on behalf of our members at the Colorado River Indian Tribes, we request the following regarding the Evoqua facility at the Colorado River Indian Tribes:

1. Review at US EPA Region IX all files and documents, and written correspondence including emails, letters and faxes regarding this facility since January 1, 2008;

2. Be provided copies of all emails, faxes and letters regarding this facility since January 1, 2008; and 3. Be provided a copy of all manifests from shipments sent by government agencies and from federal superfund and cleanup sites to the facility since 2005.

If possible, we would like to conduct the file review on Friday, October 2, 2014.

We request a waiver of all fees that might be associated with this request as it is for the benefit of low-income tribal members of the Colorado River Indian Tribes.
